Meeting of the Finance Committee of the Sullivan County Delegation at the Court House, Newport, Saturday, February, 1954 at 10:30 A. M.

Present: Commissioners Reed, Sullivan Pierce

Representatives Converse, Vaughan, Frizzell, Millar,
Stone, Angus, Jordan

Bookkeeper Bartlett

Representative from Windsor creamery discussed bulk collection of milk from the county farm. Premium would amount to \$2.70 per day (18¢ per 100 lbs.). Tank installed at farm would cost for 300 gal. for every day pick-up \$3000.00; for pick-up alternate days \$4500.00. During the past month Windsor creamery has been paying \$5.07 and \$4.99 per hundred weight for milk, while Bellows Falls Cooperative has been paying \$5.35 for 3.7% milk. The milk for the institution would still be handled in the old way even if a new tank was installed for the surplus.

Voted: Commissioners be authorized to buy tank if they consider best, and to borrow money as needed for same.

Discussion of budget: Commissioner Sullivan took up the budget with the delegation item by item.

Matters suggested for special consideration, not covered in the budget: plans for improving the drainage system in addition

to what had already been accomplished, demands of the Pollution Board; demand of the State Board of Health in regard to replacing copper Kettles with stainless steel; and that milk be served at the institution in half-pint bottles; survey now being made (for \$75.00) on improving the efficiency of the heating plant; microfilming of Registry of Deeds records for greater insurance against loss.

To hold executive session of finance committee at office in Claremont, February 27.

Martha Frizzell

Public hearing on budget at County Commissioners office in Claremont Saturday, March 13, 1954 at 10 A. M.

Public Hearing on County Budget

County Commissioner's Office at Claremont March 13, 1954

Present: Commissioners Sullivan, Pierce, and Read

Delegation, Converse and Vaughan

Commissioners assistant Helen C. Bartlett

Since there was no one present from the general public and therefore no need of discussing the budget, the commissioners and members of the delegation talked briefly on general County problems and then declared the meeting adjourned.

Margaret B. De Lude

Clerk

Sullivan County Home

March 29, 1954 10:00 A. M.

The Sullivan County Delegation met at the County Home to adopt the 1954 budget. The Delegation members inspected the County buildings, discussed the many and varied problems of County Government with the County Officials present. While other members inspected buildings and equipment there was a brief meeting of the finance committee with Commissioner Sullivan. Those present were Vaughan, chairman, presiding—Jordan, Millar, Stone, Converse, Frizzell and De Lude. Discussion on the amount needed for capital improvements. On motion of Frizzell, seconded by Millar, the committee voted that the Commissioners be authorized to borrow \$3,000.00 for capital improvements. The meeting adjourned at 10:45.

At 12:30 Mr. and Mrs. George and the Commissioners were our hosts at a delicious dinner. The rising vote of thanks proposed by Chairman Converse to our hosts was heartily endorsed by the Delegation members.

At 1:25 the business session of the meeting was called to order in the Chapel of the Almshouse, Chairman Converse presiding.

Those present at roll call were:

Charlestown — Frizzell

Claremont — Nahil, Howe, Converse, Stone and Millar

Cornish — Davis

Croydon — Weber

Lempster — Wirkkala

Langdon — Smith

Newport — Holden, Perry, Vaughan

Plainfield — Jordan

Unity — De Lude

Also present were Commissioners Sullivan, Pierce and Read. Mrs. Bartlett of the Commissioners' Newport office, Miss Bowles

from the Claremont office, Mr. Sargent, County Treasurer, Mrs. Bernice Sawyer MacWilliams, Register of Probate, Stanley Colby, County Agent, and Tony Russell, Register of Deeds.

After the roll call Chairman Converse turned the meeting over to Mr. Vaughan, Chairman of the Finance committee. Mr. Vaughan asked Commissioner Sullivan to review the budget and bring out salient points concerning same. Commissioner Sullivan explained that one of the ever rising costs was Board and care of Children. The County now has 57 children on their list with no prospect of any decrease. Rather, due either to the laxity with which laws governing such cases are applied or possibly due to some weakness in the laws themselves, these particular cases are ever increasing. The Commissioners urged the Delegation to bend every effort toward strengthening the laws regarding such cases so that parents who should be responsible for the welfare of their children are made to shoulder this responsibility.

Commissioner Sullivan pointed out another unavoidable increase in the Soldiers' Aid budget, the figures supporting such an increase were as follows:

Jan. 53	4 families	20 persons
54	13 families	66 persons

Feb. 53	5 families	31 persons
54	15 families	76 persons

Mr. Nahil inquired about Federal allotments for these individuals and Mr. Sullivan explained that these are unusual cases not fitting into a general category and therefore not eligible for Federal Aid.

Mr. Vaughan pointed out that the Commissioners had been able to make purchases of new equipment out of current income without borrowing the \$8,000.00 authorized by the delegation for that purpose.

Mr. Sullivan explained the need for a new hot water tank and said that the sewage disposal project would be less costly than first estimated. He also explained that they hoped to effect a savings in a new type of heating and were beginning a program of renovating the heating plant at the County Farm.

Mr. Pierce spoke of a change to the Manchester Dairy at a better price for shipping milk. He told the Delegation what had been done by the Commissioners, cooperating with the Water Pollution Commission and the advisor they sent in bettering the drainage from the farm. Septic tanks cleared, water deviated, and plans underway for new filter beds at not too much expense.

Mr. Colby reported on the County Extension Service. There are now 25 4H clubs with 45 leaders and 450 members both boys and girls. Miss Marion Davis in the Home Demonstration

work has 23 active groups and 1,900 women are being reached and helped. Mr. Colby explained that the addition in the budget was for a new mimeograph machine.

Mr. Sullivan thanked the Delegation and members of the Finance Committee for their diligence and spirit of cooperation in working with the Commissioners on County problems. Those present, not of the Delegation, retired and the Delegation went into Executive session.

On motion of Mrs. Millar, seconded by Mr. Holden, the delegation VOTED that \$79,855.00 be the amount of total revenue anticipated for the fiscal year 1954.

MARGARET B. DE LUDE

Clerk

Sullivan County Delegation

At a visit to the County Farm this fall I was very pleased to learn that the Cheshire County Delegation and Commissioners had visited and inspected our institution, upon advise, to see wherein they could better their own plant and it's management. It was very gratifying to other members of the Delegation to learn of this and, but, an additional reason for commendation of our Commissioners and Mr. and Mrs. George. We should like to join the Commissioners in urging people in our County to visit the Farm and familiarize themselves with it's operation.

Sullivan County Legislative Delegation

COMMISSIONERS' REPORT

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Sullivan County herewith present the Annual Report of the County Commissioners, the County Home and House of Correction, Treasurer, Auditors, Solicitor, Clerk of Court, Sheriff, Chaplain, and the Physician of the County Home for the year ending December 31, 1954.

Sullivan County this year lost one of its most valued servants in the passing of Tony O. Russell, Register of Deeds for Sullivan County. His cheerful, friendly and courteous manner, his ever present desire to fulfil the duties of his office, faithfully and efficiently, won for him many friends, not only in Sullivan County but throughout our State. He will be long remembered as a friend and outstanding Public Official.

Relief

Reflecting in part the economic condition that prevailed during 1954, our relief load for the year shows a very substantial increase. Relief for poor off farm increased approximately 27%. Aid to soldiers and their families increased by 112% and childrens' relief by 10%. Part of this increase was due to the continuing and increasing medical care that is furnished by the County. It is our continuing policy to help many of these families to find self-supporting employment, but it can be readily understood that this has been increasingly difficult this past year, as available employment has diminished in this area. As of December 31, 1954 there seems little chance of improvement in this situation, and we are forced to ask for a substantial increase of funds to cope with this situation.

During the year we have participated in the distribution of Government Surplus Foods to some of the towns in the County. This food is distributed by the Town to marginal families, and

should help in making it unnecessary for these families to apply for town or county aid.

County Farm

Continuing our objective of keeping your property in good physical condition, minor repairs, painting, steam and water pipe renewal, etc., have been continued through the year. Exit lights have been installed in the Alms House in accordance with the State Law. It was found necessary to make extensive repairs on the outside of the Cow Barn to preserve the building. This work was done at a cost of a little over seven hundred dollars.

Revenue from Boarders and Old Age Assistance cases held approximately to the level of the previous year. Farm income and produce were down, due in no small measure to the weather conditions that prevailed during the spring and summer.

We continue to operate the Hospital under a license from the State as an Institutional Infirmary and Custodial Rest Home. To qualify for this license it is required that a certain number of our nurses must be registered and the others qualified practical nurses. We are fortunate in the dedicated care these employees render to the people in our charge.

One item of expense in running the Farm, that we feel is not too well understood by our citizens, is the cost of providing for the persons in the House of Correction and the inmates who are charges of the County. During 1954, we furnished to the above, 2365 weeks board which means an average of 45 persons a day were housed, fed and clothed, with but a minimum of return to the taxpayer, such return consisting of some work done at the Institution by both of the classes above mentioned.

We wish again to repeat our report of previous years that our forestry program supervised by our State Forester, a program of selective cutting, planting, etc., will eventually be a source of considerable revenue to the County.

During the year 1955, to comply with the standards of the State Water Pollution Board, certain sewerage disposal installation will have to be made at the Farm. This will cost approximately \$6,500.00 and constitutes the only outlay of funds, beyond the ordinary operations of the Farm.

Superintendent and Matron

Superintendent and Matron, Mr. and Mrs. William H. George continue to meet the numerous daily problems of the Institution, which actually means around the clock service. Their task is never done. There are employees at work 24 hours a day, especially in the Hospital, and the Superintendent and Matron must be ever ready for emergencies, both night and day.

They, with the Commissioners, feel that the welfare of the sick and unfortunate intrusted to our care is our primary responsibility, and in fulfilling this responsibility, we welcome to the Institution all citizens of the County to talk with us, inspect the plant, and by constructive suggestions help us in improving our work to the best interest of the inmates and the citizens of the County.

Again you are invited to come and visit the County Home. We assure you of a cordial reception from our Superintendent and Matron, Mr. and Mrs. George.

The Commissioners wish to express their thanks and appreciation to Superintendent and Mrs. George, the members of the County Delegation, County Solicitor, our Clerks, and all the employees of the County Institution for their loyalty and understanding cooperation through the year.

SUPERINTENDENT'S REPORT

To the Commissioners of Sullivan County:
Gentlemen:

The year 1954 has witnessed no outstanding events at the Sullivan County Home and Farm. From the farming standpoint, the season was a difficult one, while the crops with the exception of potatoes, were sufficient to meet the needs of the Institution, the quality, due to the continuous rains left much to be desired.

Many repairs and replacements were made through the year to the heating system, which has reached the age where anything can, and does happen.

The exterior of several buildings have been painted, and a considerable amount of interior redecorating done.

157 prisoners have been admitted to the House of Correction, 136 more weeks of board were supplied in this department than in 1953.

The Hospital continues to operate at nearly full capacity.

The nature of the cases requiring a maximum of care both night and day.

The Nurses and Attendants deserve a great deal of credit for the care and understanding which they give the sick and aged.

The Patients in the Hospital, and people at the Home, truly appreciate the kindness and generosity of the Church Groups, Fraternal Organizations, and Individuals who have contributed so much to their welfare and happiness.

We the Superintendent and Matron personally wish to thank our board of Commissioners, Dr. Stearns, The Clergymen, our employees, each and every one who have done their part so well.

PHYSICIAN'S REPORT

Gentlemen:

During the year 1954 we had 57 admissions to the County Home, of whom 40 were boarders, and 17 inmates. During the year, 22 boarders and 1 inmate died.

I wish to thank Mr. and Mrs. George, Miss Hyde, Mrs. Carroll, and the rest of the Nursing staff for their cooperation.

CARL M. STERNS, M. D.

CHAPLAINS REPORT SULLIVAN COUNTY HOME

1954

This completes my second full year as chaplain of the County Home. As the bonds of friendship with other members of the Staff and with the patients are strengthened, the ministry also becomes stronger and I feel more helpful.

Regular visits have been made in the afternoon hours. The nature of the individual contacts varies according to the need and interest of the person — social visits or reading, from Scripture or other material to fill a lonely moment; counseling or discussion when a problem is at hand; writing letters or helping with some craft work; prayer and the Sacraments when desired. Bibles and other reading material have been provided when available and desired.

Some evening visits have been made especially to bring in colored slides. These seem to be enjoyed, especially some pictures that I have taken of local communities and activities familiar to the patients. If others have slides and could share them directly with the patients or loan them to me it would be most helpful.

Other pastors in the county have responded generously in making special calls upon those from their parishes when called upon. The entire staff has cooperated in a most helpful way. The nurses have assisted by calling attention to new patients and to special needs. Others have provided information and assistance, and all by their friendly manner have made the year most enjoyable.

May I take this opportunity to say "Thank You" to all at the Home and to the residents of Sullivan County for the opportunity to serve in this way.

Respectfully,
LEON E. DAYRINGER, Chaplain

As an introduction to the above report, I wish to state that in my opinion and as a matter of fact, the past year (1954) has been high lighted by an abnormally large amount of criminal activity.

To qualify the foregoing statement, I feel that I must point out that one of the greatest governing factors in the increased cost of operation for the sheriff's department came as a direct result of the Legislature's action in that all felonious prisoners should be lodged at the Hillsborough County Jail, Manchester, N. H. pending disposition of their cases - the increased costs in mileage was also augmented further in the increased costs of required assistance fees.

A subsequent ruling by the Legislature that costs could not be assessed and collected from defendants also resulted in a greater net operating cost.

As a concluding and important part of this report, I would once again appeal for serious consideration of my past proposal regarding the reorganization of the sheriff's department with respect to the expenses relating to it. It has been my contention

that the sheriff should be placed at a fixed annual salary and that the County itself absorb all necessary expenses of running the department, including the furnishing of an automobile and clerical help. I sincerely believe that this would result in a greater decreased cost of operation for the sheriff's department and I am certain that the acceptance and trial of such a procedural set up would prove beneficial and more economical to the County.

I wish to thank our County Solicitor, George Zopf, for his excellent cooperation and may he have a long term of office. I also wish to thank the police, other county officials and citizens for their assistance to me during the past year.

Respectfully submitted,

JAMES F. McCUSKER

REPORT OF THE COUNTY SOLICITOR

February 7, 1955

The Commissioners of Sullivan County
Newport, New Hampshire

Gentlemen:

I herewith submit my report as Commissioner to Perform the duties of County Solicitor for the year ending December 31, 1954.

During the year the Grand Jury returned seven indictments and eight respondents waived indictment in order to plead guilty and have their cases disposed of without delay. The cases handled in Superior Court involved major crimes such as robbery, burglary, breaking and entering, larceny and desertion. In addition, two misdemeanors upon which there were appeals from Municipal Courts were brought before the Superior Court. One of these cases has been disposed of, and the other is still pending on the docket awaiting the February 1955 term of court.

In four cases it was necessary to file petitions with the Superior Court under the so-called sexual psychopath act. The examining board in all four cases found the individuals involved not to be classifiable as sexual psychopaths, and consequently the four individuals stood trial in our courts and were punished for their crimes.

It should be pointed out that our four municipal courts handle many hundreds of cases in the course of a single year, and that the solicitor is called to prosecute most of the cases wherein the respondent asserts his innocence by interposing a plea of not guilty. Much of the solicitor's time each year is devoted to consultations with persons on matters of support for wives and minor children whose husbands, ex-husbands, and fathers are delinquent in their obligation of support.

I am deeply grateful for the cooperation and assistance rendered to me in all criminal cases by the state and local police, sheriff's department, the Motor Vehicle Department inspector, and the probation officers assigned to this area by the New Hampshire Probation Department. The County Commissioners and the personnel of their offices, and the representatives of the New Hampshire Department of Public Welfare have been most considerate and helpful, and all deserve much credit for the efficiency with which they have been performing their duties.

Respectfully submitted,

GEORGE E. ZOPF

County Solicitor
